What is a cookie?

A 'cookie' is a type of data file that is stored on your device when you visit a website or perform actions while visiting a website. A cookie file contains information that is transferred to your device's memory which is recalled when you revisit our site, or when you perform certain actions on your device. Where we refer to a cookie in this policy, this incorporates similar tracking technologies.

Necessary Cookies

When you first visit our website, we only use necessary cookies. This means that additional cookies (called "Optional Cookies" in this policy) won't be used unless you agree to accept/enable all cookies, or select your own cookie preferences.

Optional Cookies

Optional cookies are used for analytical, performance, advanced functionality and advertising purposes. More information is set out in this policy. Optional cookies help us improve our website and we believe accepting all optional cookies provides you with the best user experience.

Cookies can be "First Party", i.e. set by us, or "Third Party", i.e. placed on your device by another organisation when you visit our website. Third-party cookies may be placed on your device by an organisation providing a service to us or by our business partners, so that they can advertise products and services to you on our website and elsewhere on the internet. Because of how cookies work, our website cannot access third-party cookies stored from other websites; nor can other organisations access the data in the cookies we use on our website.

Changing your preferences

You can select to accept/enable some or all of the optional cookies either within the settings of your own device or by selecting the option provided on our website.

How long will cookies stay on my device?

The length of time a cookie will stay on your computer or mobile device depends on whether it is a "persistent" or "session" cookie. Session cookies should expire when you stop browsing. Persistent cookies stay on your device until they expire after a set period or are deleted. For each of the cookies used on our website we have set out the duration in the tables below.

The Cookies we use on our website

Necessary Cookies

Necessary Cookies are cookies that are required for the operation of our website. They include, for example, cookies that allow page navigation or enable you to access certain areas of our website. Our website cannot function properly without these cookies. Necessary Cookies can only be disabled by changing your browser preferences but doing so may result in reduced or limited functionality of our website. In some circumstances our website may cease to function as intended if necessary cookies are disabled, deleted or otherwise altered. We do not accept any liability for any loss arising where necessary cookies are disabled, deleted or otherwise altered. We use the following necessary cookies:

Cookie Name	Purpose	Controller	Further Information (including duration of cookie)
cookieyes-consent	CookieYes sets this cookie to remember users' consent preferences so that their preferences are respected on subsequent visits to this site. It does not collect or store any personal information about the site visitors.	cookieyes.com	1 year
__GRECAPTCHA	Google Recaptcha service sets this cookie to identify bots to protect the website against malicious spam attacks.	google.com	6 months
visid_incap_*	Incapsula sets this cookie to provide cloud-based website security services.	sitelock.com	1 year

incap_ses_*	This is an Incapsula DDoS Protection and Web Application Firewall cookie that is used to relate HTTP requests to a certain session.	sitelock.com	session
ARRAffinitySameSite	This cookie is set by Windows Azure cloud, and is used for load balancing to make sure the visitor page requests are routed to the same server in any browsing session.	monitor.azure.com, azureedge.net	session
ARRAffinity	ARRAffinity cookie is set by Azure app service, and allows the service to choose the right instance established by a user to deliver subsequent requests made by that user.	monitor.azure.com, azureedge.net	session

Optional Cookies

We and third parties like to use cookies on this website to enhance your user experience, personalise content and advertisements, provide social media features, and analyse the traffic/visitor actions on our website. Optional cookies help us to provide you with the experience we intend to provide when you browse our website and also allow us to improve our website and the service we provide.

We need to obtain your consent to use Optional cookies; this is usually by way of a pop-up notice. As set out in this policy, you can change your preference at any time.

Advanced functionality, Analytics and Performance (Optional)

We use advanced functionality cookies to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

We use analytical/performance cookies to enable us to recognise and count the number of visitors and to see how visitors use our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

We would like to use the following optional advanced functionality, analytics and performance cookies:

Cookie Name	Purpose	Controller	Further Information (including duration of cookie)
ga*	Google Analytics sets this cookie to store and count page views.	google-analytics.com, googletagmanager.com	1 year 1 month 4 days
_ga	Google Analytics sets this cookie to calculate visitor, session and campaign data and track site usage for the site's analytics report. The cookie stores information anonymously and assigns a randomly generated number to recognise unique visitors.	google-analytics.com, googletagmanager.com	1 year 1 month 4 days
_gcl_au	Google Tag Manager sets the cookie to experiment advertisement efficiency of websites using their services.	googletagmanager.com	3 months

_gid	Google Analytics sets this cookie to store information on how visitors use a website while also creating an analytics report of the website's performance. Some of the collected data includes the number of visitors, their source, and the pages they visit anonymously.	google-analytics.com, googletagmanager.com	1 day
gat_gtag_UA*	Google Analytics sets this cookie to store a unique user ID.	google-analytics.com, googletagmanager.com	1 minute
_fbp	Facebook sets this cookie to display advertisements when either on Facebook or on a digital platform powered by Facebook advertising after visiting the website.	facebook.net	3 months
__fb_chat_plugin	Facebook sets this cookie to store and track interactions.	facebook.net	never

Advertising (Optional)

We and third parties want to display adverts that we think are relevant to you. In order to do so we need your consent to use advertising cookies. Even if you do not accept our advertising cookies, where you have accepted advertising cookies on another website they may remain active on our website.

[You can configure the advertisement vendors that place cookies on your device using the preference tool on our website. This only applies if you allow granular control over advertisement cookies]

We use the following advertising cookies:

Cookie Name	Purpose	Controller	Further Information (including duration of cookie)
YSC	Youtube sets this cookie to track the views of embedded videos on Youtube pages.	youtube.com	session
VISITOR_INFO1_LIVE	YouTube sets this cookie to measure bandwidth, determining whether the user gets the new or old player interface.	youtube.com	6 months
test_cookie	doubleclick.net sets this cookie to determine if the user's browser supports cookies.	doubleclick.net	15 minutes
VISITOR_PRIVACY_METADATA	YouTube sets this cookie to store the user's cookie consent state for the current domain.	youtube.com	6 months
IDE	Google DoubleClick IDE cookies store information about how the user uses the website to present them with relevant ads according to the user profile.	doubleclick.net	1 year 24 days

Social Media Cookies (Optional)

We use social media cookies to allow you to share our website (or parts of it) on social media.
